UK Outlook for Thursday 8 Jul 2021 to Thursday 22 Jul 2021:
Although confidence remains low, in general settled conditions are likely, with a few brief unsettled spells possible. Some northwestern areas will likely see brief spells rain and cloudy conditions at times, as well as a continued risk for periods of heavy rain or thunderstorms especially across the south. Above-average temperatures continue to be well signalled, with the chance of some very warm or hot days to come.
